

# Gaurs Group extends help to labourers

Apr 06, 2020

Leading realty firm Gaurs Group has taken the initiative to help labourers working across its projects. The group, which regularly plays its part towards the well-being of the society, is taking care of the nutrition of all the labourers, including those working in Gaur Yamuna City, Gaur Siddhartham, Gaur City Center, Gaur City 7 Avenue, and Gaur City 14 Avenue. The labourers are being given a month's ration supply and other necessary things to help them survive.
