

Gaurs Group aims to deliver over 5,000 units in the next 5-7 years

Jan 17, 2020

One of the leading real estate players in North India, Gaurs Group, intends to deliver 50,000 units to homebuyers in the next 5-7 years. The Group has so far delivered more than 50,000 units, amounting to a cumulative area of 55 million sq ft. Until now, the Group had been primarily focusing on the residential segment. However, after the resounding success of Gaur City Mall at Greater Noida West, the Group plans to lay equal emphasis on the commercial and retail segment. Going forward, the company will also focus on asset creation and envisages to build assets worth Rs 5,000 crore in the retail business over the next five years.
