

## Gaur International School promotes 'Beti Bachao Beti Padhao'

Under the government's initiative of 'Beti Bachao Beti Padhao', Gaur International School in Greater Noida West has instituted free education of girl children from economically weaker sections of the society, and the first batch with almost 240 underprivileged girls has started on April 9. This will enable them to avail quality education at par with other children.

The girl students would be studying till Class 12 availing the same facilities as the students of morning school. Teachers, classrooms and all the facilities will be the same as are provided in the morning school.

The experienced teachers will teach the students from 2:00 PM in the afternoon till 6:00 PM in the evening. The evening classes were based on first come first serve basis and a total of 240 students have been enrolled in two batches of 150 and 90. For the first year, admissions were open from Class 2 to Class 7. The registration forms had already been on distribution from January 15.

"The main motive behind our programme is to educate underprivileged girls because it is said that when you educate girls, you empower the nation. We wish to continue this endeavour year on year and keep making it bigger with every passing year. Being a woman myself, it feels great to be a part of this initiative," said Manju Gaur, Director, Gaur Group.
