# Gaur Group adjudged Top Developer of the Year- North India at Construction World Architect & Builder

**New Delhi:** Gaur Group, the Delhi based leading and renowned real estate player received top honours at Construction World Architect & Builder (CWAB) Awards 2019 held at Bengaluru recently. At a glittering function which was attended by who's who of the real estate industry, Gaur Group was named as the Developer of the Year – North India.

CWAB Awards are India's most coveted awards for the architecture and building industry. It honours the Top Architects and The Top Builders of India.

On this occasion, Mrs Manju Gaur, Director, Gaur Group, exclaimed with joy and said, "We are truly humbled and elated on winning this award. Winning an award is very prestigious and always comes as a great inspiration to keep going the efforts. Gaur Group has always been at the forefront of offering best of the products in both residential and commercial category, which is accompanied by top notch amenities and comfort and convenience all at one place. A lot of credit for this goes to our employees, channel partners, suppliers, and vendors for their immense contribution and unflinching support".

Gaur Group has created reputation for itself in commercial & residential property. The group has created its marquee by delivering more than 25,000 units in past 5 years at its projects across Noida, Greater Noida- West, Noida Expressway, and Ghaziabad. Some of its on-going residential projects are Gaur Siddhartham at Ghaziabad, Gaur Atulayam at Greater Noida, and many projects at Noida Expressway respectively. Adding on, the group also has on-going projects in Commercial, Retail and luxury category.
